**Date: 11/06/2022****DISCLAIMER**

This is a preview of your estimated Salaries Tax payable before you have submitted your tax return. It is computed according to the information that you have entered and the assumptions as stated below, if any. IRD accepts no liability for any loss arising from or relating to the use of the information. After you have submitted your tax return, the Assessor will examine it and make adjustments, if appropriate, in your Salaries Tax assessment.

**NOTES**

1. Information, if any, provided in the text box of Supplementary Information on Tax Return has not been taken into account when computing the estimated amount of tax payable.
2. The tax reduction and the new Domestic Rent Deduction proposed in 2022-23 Budget have been taken into account in the estimated Salaries Tax computation. The legislation for tax reduction was enacted on 14 April 2022 and the legislative amendments for Domestic Rent Deduction are still in progress. Assessor will calculate your tax liability in due course according to the enacted legislation.
